

Dropbox Redemption Program Terms and Conditions (the “Terms”)

1. Under the Dropbox Redemption Program (the “Program”), an Eligible Partner (defined below) may offer to its direct customers (“End Users”) a unique redemption code (the “Code”) provided by Fujitsu Computer Products of America, Inc. (“FCPA”) that will allow End Users that own or purchases an Eligible Scanner (defined below) during this Program Period (defined below), to redeem one Dropbox promotion code per Eligible Scanner. Limitations may apply.* Eligible Partners may non-exclusively promote this Program and communicate the Codes to End Users via e-mail, sales communications, newsletters, sales presentations and websites.
2. As used herein, “Eligible Partner” shall mean a company with a certain software integration with ScanSnap® Home (with consent by FCPA or its affiliates). In the event an Eligible Partner breaches or fails to comply with these Terms, FCPA may (in its sole discretion) revoke an Eligible Partner's eligibility under this Program for any reason, at any time, without notice.
3. This Program only applies to iX1300, iX1400, and iX1600 scanners purchased in the United States (“Eligible Scanners”) and by redeeming the Code provided from Eligible Partners. The Dropbox Promotion (defined below) is non-transferable. No purchase date restrictions apply to the Eligible Scanners, up to the expiration or termination of this Program by FCPA (or in the event Dropbox cancels the Dropbox Promotion). Unless expressly indicated in these Terms, other Fujitsu scanner models are not eligible for the Program.
4. The Program begins November 1, 2021 and will expire on March 31, 2022 (the “Program Period”). Redemption of the codes for the Dropbox Promotion is subject to Dropbox’s terms and conditions (located at https://scanners.us.fujitsu.com/-/media/project/scanners/files/products/terms/Dropbox_and_Fujitsu_Offer_100GB_Supplemental_Terms_and_Conditions), and Dropbox may terminate the eligibility to redeem the Dropbox Promotion at any time after March 31, 2022.
5. End Users may redeem their Codes at <https://fujituscanners.com/registration>. To qualify for the Program, End Users must register their Eligible Scanner on the website specified above and apply the corresponding promotion Code. FCPA reserves the right to make the final decision (in its sole discretion) in denying or approving an End User's redemption under this Program. The Program is good while supplies last. Void where prohibited by law.
6. Successfully redeemed Codes will generate an email containing a link for the Dropbox Promotion of 100 GB for six months for free (the “Dropbox Promotion”). End Users must redeem the Dropbox Promotion code before the end of March 31, 2022.
7. FCPA may change, modify, suspend, or terminate the terms of this Program at any time and for any reason, without notice.
8. End Users are also subject to Dropbox terms and conditions for establishing and using the promotional account. Please see additional details here: https://scanners.us.fujitsu.com/-/media/project/scanners/files/products/terms/Dropbox_and_Fujitsu_Offer_100GB_Supplemental_Terms_and_Conditions

*Each email account may only redeem one Dropbox Promotion. Additional Dropbox terms and conditions may apply.
